DIFFERENTIATORS

- Our best product offering is our eagerness and capability to work as an extension of your purchasing department.
- We pride ourselves on our reputation for prompt and superior service!
- We offer extremely consistent sales support, exemplary customer service, and timely, dependable order fulfillment.
- Our customers come FIRST. For example, your P.O.'s don't sit in our inboxes for days or even hours...your orders will be processed generally within the hour, and your items will normally ship out the same day.
- As a bonus, we will help you reach your diversity purchase goals, thanks to our WBE certification.
